

# Anthropology Event

## Bone List

- A random sampling of twenty bones will be chosen.
- Answers/Bones may be used more than once from the key.
- There will not be deductions for spelling, as long as the name is understandable.
- If there is a question, the judge may ask the competitor to say the intended name.
- Only the "1st Rib" must be explicitly named from the Ribs, all other ribs can be answered with just "Rib".

1ST RIB	METATARSALS
